

6th Grade Unit 6: Lesson 27-1

Check Your Understanding (p. 348):

9. a. no b. yes
 c. yes d. no
10. Answers will vary. Questions that can be asked of many people who can give lots of different answers will provide a lot of variability.

Lesson 27-1 Practice (p. 348):

11. Answers will vary. Who won the game?
12. Answers will vary. What was the most exciting point of the game?
13. Answers will vary. The variability will be low because most fans will be able to narrow down the choices to a few players who performed well.
14. Answers will vary. Who played better, the Knights or the Tornadoes?
15. Answers will vary. How many shots did each player take?
